

August 2019

Dear valued customers,

We would like to announce that we are going to exhibit DSM2019(Donsö Shipping Meet), which will be held on 3rd and 4th September 2019 in Donsö, Sweden. DSM has contributed to elevate Swedish shipping internationally since its start in 2009, and we are very proud to say that CMP will be part of this fruitful exhibition for the first time this year. At CMP stand, we will introduce our latest antifouling 'SEAFLO NEO CF PREMIUM' and 'SEA GRANDPRIX 880 HS PLUS', which demonstrate stable antifouling performance not only during normal operation but also during long-term anchorage.

Please refer to the details below, and we are looking forward to seeing you at our stand.
