CMP Honorably Receives Paint Order: “Real Madrid C.F.” Stadium Renovation Work

CHUGOKU PAINTS B.V., a group company of CHUGOKU MARINE PAINTS, LTD. (hereafter called “CMP”) in Netherlands secured the paint order for a part of renovation work of Estadio Santiago Bernabeu, which is the home stadium of Real Madrid C.F., a professional football club based in Madrid, Spain.

Estadio Santiago Bernabeu is the second largest stadium in Spain, and a hotel and shopping mall will be annexed to the stadium. We have received an order of anticorrosion paints for a part of this complex facility interior. The renovation work started in June, 2019 and is scheduled to be completed in 2022.

We expect this order received will have a positive impact on our future business expansion for similar projects.

CMP will be further promoting our products to receive orders in various fields.
